

# Open call

We would like to call your attention to register a **five-day, 30-hour, non-accredited teacher training** in the framework of Erasmus+ Back to Nature (2016-1-HU01- KA201 – 022992) project, which aim is to get to know with the participating teachers and experts dealing with environmental education and innovative, nature-close, experiential curriculum developed during the project.

**The time of the teacher training:** 5<sup>th</sup> – 9<sup>th</sup> February 2018

**The venue of the teacher training:** Nagykanizsa, Hungary

## **The conditions of registration:**

- **teaching activity at one of the partner schools** (Zrínyi Miklós - Bolyai János Primary School, Nagykanizsa, Hungary; DOŠ I LENDAVA, Lendava, Slovenia; Scoala Gimnaziala "Szentivani Mihaly", Galesti, Romania), **in one of the 4 fields** (natural sciences, social sciences, arts, technical and IT-related subjects)
- **in order to test practically the knowledge acquired during the training, taking part as a teacher and an attendant in the summer school in Romania**
- **commitment** to the goals and the topics of the project

## **The way of registration:**

Filling in the **application form** and writing a **motivational letter** up to the given deadline

**The deadline of registration: 26th January 2018**

**3 people can take part of the training from each school.** After considering the registrations we will inform the three chosen teachers until 31<sup>st</sup> January 2018. Those applicants who were not chosen and those who would like to join the project can follow it up online via webstreaming, which will be available on the website of the project with all the necessary teaching material.

**When considering the registration it is advantageous to meet the following criteria:**

- **innovative** pedagogical activity
- a susceptibility to a **methodological renewal**
- **institutional vision**
- **external professional engagement**

**The tasks of the participants:**

- **an active participation during the whole course**
- writing an **input and an output survey**
- **executing tasks of quality assurance** in connection with the training
- **writing a short** (appr. half an A4-size page-long) **self-reflection** after the training
- making a **lesson plan** in connection with one of the topics
- **testing one of the methods with own pupils at school and presenting its result for the project**

**Financial allocation: -**

During the training **the training material and the participants' catering will be provided.**  
The participants will receive a certificate of the accomplishment of the training.
